Welcome to the Atlanta Charity Clays 30th year Kick Off Party! It is hard to believe we are celebrating 30 incredible years of enjoying a sporting clays competition, all the while raising much needed funds for Atlanta area children's charities. What started out as an idea on the back of an envelope, has now grown into one of the best known and highly anticipated sporting clays events of the year. We are so proud of what this "little" shooting tournament that has grown into today, raising well over \$5,000,000 and serving over 100 children's charities since 1990.

There are many ingredients that go into this recipe of success we have enjoyed all these years. Without a doubt we are so very grateful for our wonderful sponsors, several whom have been long time supporters, year in & year out! Your belief in the Atlanta Charity Clays and our cause to help children's charities speaks volumes! A huge vote of thanks goes to our 80 plus volunteers, who help run the show and make for an amazing party and 2 fantastic days of shooting. Their dedication and commitment to excellence is evident on the quality of our event. A very special thanks also goes to our venue locations, 5 Arrows Farms and Burge Plantation, for sharing their beautiful settings, a treat for anyone who gets the opportunity to enjoy shooting these outstanding courses!

Here on the 30th anniversary, let's toast to the two gentlemen who dreamed up the idea to start this "little" shooting tournament, to enjoy the great outdoors with friends and colleagues, while having fun and giving back to the community. Spike Wahlen and Will Lobb, hats off to YOU & your posse of like-minded friends who got this party started!! It's been a great 30 years and here's to many, many more!

Keep breaking those clays,

Katherine and John
